

## Free Look Rules Clarification

Previously *any recipient* of a Notice of Electronic Filing (NEF) was allowed one view of the referenced documents without incurring PACER charges. Now *only participants* in the case (parties, attorneys of record and their staff) are provided a view at no charge while others accrue PACER charges. There is only one free look per CM/ECF account. First come, First serve. The NEFs received from cases listed in the “Send Notices for these Additional Cases” section of the Email Information Screen will accrue PACER charges. It is the attorney's responsibility to remove cases in which he/she is not activity involved. Otherwise, he/she will continue to receive notices and will accrue charges for accessing such.
