CASES REFERRED

1. Fifteen percent (15%) of the civil actions filed in the Beaumont Division of the Eastern District of Texas, after the date of this order and assigned to Marcia A. Crone, United States District Judge, are hereby REFERRED to the full-time United States Magistrate Judges stationed in Beaumont for all pretrial proceedings.

PRETRIAL PROCEEDINGS

2. The assigned Magistrate Judge shall handle all pretrial proceedings in cases referred under paragraph 1. This shall include:
 - a. hearing and determining all matters within the Magistrate Judge's dispositive jurisdiction;
 - b. proceeding in accordance with 28 U.S.C. § 636(b)(1)(B) and (C) on matters excepted from the Magistrate Judge's dispositive jurisdiction under 28 U.S.C. § 636(b)(1)(A); and
 - c. issuing a report to the District Judge indicating that the case is ready for trial, after approval of the final pretrial order, in those cases in which the parties have not consented to the Magistrate Judge's jurisdiction.

Upon receipt of the report, the referral under paragraph 1 shall be withdrawn, and the case shall be returned to the undersigned for all further proceedings and entry of judgment.

CONSENT

3. Upon receipt of signed consent forms by all parties, the case shall be reassigned to the Magistrate Judge, who shall conduct all proceedings including jury and non-jury trials, and order the entry of judgment.

REFERRAL PROCEDURE

4. Cases referred to the Magistrate Judges under this order shall be selected randomly and in equal proportions to each judge.
5. The Clerk of Court shall administer the random referrals and case assignments to the Magistrate Judges according to procedures devised by the Clerk and approved in advance by the undersigned.
6. In order to protect the integrity of the random case assignment procedure, the Clerk shall take steps to ensure that every case referral is free from actual or potential influence or manipulation by any litigant, counsel, member of the public, or court staff member.
7. In the event of recusal or other disqualification of the Magistrate Judge in a case referred and assigned under this order, the case shall return automatically to the docket of the undersigned, subject to further orders of the court.

Absent special circumstances, case-specific orders of referral, reassignment, and withdrawals shall not be entered.
9. This order does not affect General Orders 05-4, 05-5, 05-6, and 05-7 or other established procedures for referral to Magistrate Judges of special category cases (*e.g.*, preliminary motions to proceed *in forma pauperis* and for appointment of counsel in Title VII cases, prisoner cases, matters on the miscellaneous docket, *etc.*).
10. Nothing herein shall preclude referral of additional matters to the Magistrate Judges or the withdrawal of referrals in cases subject to this order whenever appropriate.

This order applies to all pending cases and to those filed on or after the date of this order.

Signed at Beaumont, Texas, the 28th day of February, 2005.
