**U.S. DISTRICT COURT
EASTERN DISTRICT OF TEXAS
LOCAL COURT RULES**

SECTION I: CIVIL RULES

LOCAL RULE CV-1 Scope and Purpose of Rules

- (a) The rules of procedure in any proceeding in this court are those prescribed by the laws of the United States and the Federal Rules of Civil Procedure, along with these local rules and any orders entered by the Court. These local rules shall be construed as consistent with Acts of Congress and rules of practice and procedure prescribed by the Supreme Court of the United States and the United States Court of Appeals for the Fifth Judicial Circuit.
- (b) These rules may be known and cited as Local Court Rules.
- (c) The Supplemental Rules for Certain Admiralty and Maritime Claims, as adopted by the Supreme Court of the United States, shall govern all admiralty and maritime actions in this court.

LOCAL RULE CV-3 Commencement of Action

- (a) **Habeas Corpus and §2255 Motions.** The clerk may require that petitions for a writ of habeas corpus and motions filed pursuant to 28 U.S.C. §2255 be filed on a set of standardized forms approved by this court and supplied, upon request, by the clerk without cost, to the petitioner. Petitioners who are not proceeding in forma pauperis must pay a \$5.00 filing fee. See 28 U.S.C. §1914(a). There is no filing fee for § 2255 motions filed by prisoners in federal custody.
- (b) **Page Limitation for Documents Filed by Pro Se Prisoners and Pro Se Non Prisoners.** Absent permission obtained from the presiding judge, all documents filed by pro se prisoners and pro se non-prisoners are limited to twenty (20) pages, including attachments.

LOCAL RULE CV-4 Complaint, Summons and Return

- (a) At the commencement of the action, counsel shall prepare and file the civil cover sheet, Form JS 44, along with the complaint. When filing a patent, trademark or copyright case, counsel is also responsible for electronically filing an AO Form 120 or 121, and submitting a copy of the applicable form to the United States Patent Office or United States Copyright Office.

If service of summons is not waived, an original and two copies of the summons in a civil action must be prepared by the attorney for the plaintiff and submitted for each defendant to be served with a copy of the complaint. The clerk is required to collect the filing fee authorized by federal statute before accepting a complaint for filing.

- (b) On the complaint, all litigants shall type or print all party names contained in the case caption with the accurate capitalization and spacing for each party (e.g. Martha vanDerkloot, James De Borne'). This procedure seeks to ensure that accurate computer party name searches can later be performed.
- (c) Service of civil process shall not be executed by the United States marshal except for government initiated process, extraordinary writ or when ordered to do so by a judge.
 - (1) The attorney (or any plaintiff if acting pro se) seeking service of civil process upon a pleading filed in this district will be responsible for designating a person over the age of 18 years who is not a party in the case to make service.
 - (2) Service may be made by such designated person by personal service pursuant to Rule 4, Fed.R.Civ.P. or by mailing a copy of the pleadings and summons by registered or certified mail to the person (restricted to addressee only) with return receipt requested, in accordance with Texas law.
 - (3) The service of subpoenas shall be completed pursuant to Rule 45(c), Fed.R.Civ.P. A subpoena may be served by any person who is not a party or attorney in the case and who is not less than 18 years of age.
 - (4) The party requesting service shall be responsible for preparing all process forms to be supplied by the clerk. When process is to be served by the United States marshal, the party seeking service shall complete the required U.S. Marshal Form 285.
- (d) Service through the Secretary of State for the State of Texas may be accomplished in the same manner as in (c)(1) and (c)(2) above and must be in accordance with applicable Texas statutes [note: two copies of the summons and complaint are required, as well as a fee to be paid to the Secretary of State].

LOCAL RULE CV-5 Service and Filing of Pleadings and Other Papers

- (a) **Electronic Filing Required.** Except as expressly provided or in exceptional circumstances preventing a Filing User from filing electronically, all documents filed with the court shall be electronically filed in compliance with the following procedures.
 - (1) **Exemptions from Electronic Filing Requirement.** The following are exempted from the requirement of electronic filing:
 - (A) In a criminal case, the charging documents, including the complaint, information, indictment, and any superseding indictment; petitions for revocation of probation or supervised release; affidavits in support of search and arrest warrants, pen registers, trap and trace requests, wiretaps and other documentation related to these types of applications; and other matters filed ex parte in connection with ongoing criminal investigations;
 - (B) filing from pro se litigants (prisoner and non-prisoner);

- (C) consents to proceed before a magistrate judge;
- (D) proof of service of the initial papers in a civil case;
- (E) papers received from another court under Fed.R.Crim.P. 5(c), Fed.R.Crim.P. 20 and Fed.R.Crim.P. 40 ;
- (F) official administrative records or transcripts of prior court or administrative proceedings from other courts or agencies that are required to be filed by law, rule or local rule (*but see* Local Rule CV-80(a));
- (G) application to appear pro hac vice; and
- (H) any document pertaining to presentence investigation reports in criminal cases.

(2) Registration for Electronic Filing.

- (A) The clerk shall register all attorneys admitted to the bar of this court, including those admitted pro hac vice, as Filing Users of the court's Electronic Filing System. Registration as a Filing User constitutes consent to electronic service of all documents as provided in these rules in accordance with the Federal Rules of Civil and Criminal Procedure. The clerk shall provide Filing Users with a user log-in and password once registration is completed. Filing Users agree to protect the security of their passwords and immediately notify the clerk if they learn that their password has been compromised. After registration, attorneys are required to maintain their own account information, including changes in e-mail address.
 - (i) If the clerk's office receives a "bounce-back" notice from an e-mail account (i.e., an undeliverable e-mail), the Filing User will be promptly notified by the clerk's office via telephone or otherwise and given an opportunity to update his or her e-mail address within CM/ECF. If, after that notification and a reasonable passage of time, "bounce-backs" continue to occur in that account, the clerk's office is authorized to remove the defunct or undeliverable e-mail address from the CM/ECF database. The Filing User, not the clerk's office, has the primary responsibility of ensuring that his or her e-mail address is functional. See Local Rule CV-5(a)(2)(A), above.
- (B) If the court permits, a party to a pending proceeding who is not represented by an attorney may register as a Filing User in the Electronic Filing System solely for purposes of the action. If, during the course of the proceeding, the party retains an attorney who appears on the party's behalf, the attorney must advise the clerk to terminate the party's registration as a Filing User upon the attorney's appearance.
- (C) A Filing User may apply to the court for permission to withdraw from participation in the Electronic Filing System, for good cause shown.

(3) **Significance of Electronic Filing.**

- (A) Electronic transmission of a document to the Electronic Filing System consistent with these rules, together with the transmission of a Notice of Electronic Filing from the court, constitutes filing of the document for all purposes, and constitutes entry of the document on the docket kept by the clerk. Receipt by the filing party of a Notice of Electronic Filing from the court is proof of service of the document on all counsel who are deemed to have consented to electronic service.
- (B) When a document has been filed electronically, the official record is the electronic recording of the document as stored by the court, and the filing party is bound by the document as filed. A document filed electronically is deemed filed at the date and time stated on the Notice of Electronic Filing from the court.
- (C) Service is deemed completed at the date and time stated on the Notice of Electronic Filing from the court, except that documents filed electronically after 5 p.m. Central Time shall be deemed served on the following day.
- (D) Filing a document electronically does not alter the filing deadline for that document. Filing must be completed before midnight local time where the court is located in order to be considered timely filed that day.

(4) **File Size Limitations.** No single electronic file, whether containing a document or an attachment, may exceed five megabytes in size. Documents and/or attachments in excess of five megabytes must be divided into multiple files and accurately described to the court. See also page requirement for motions and responses in Local Rule CV-7.

(5) **Signatures.** The user log-in and password required to submit documents to the Electronic Filing System serve as the Filing User's signature on all electronic documents filed with the court. The name of the Filing User under whose log-in and password the document is submitted must be preceded by either an image of the Filing User's signature or an "/s/" typed in the space where the signature would otherwise appear.

(6) **Attachments and Exhibits.** Filing Users must submit separately in electronic form and identify each exhibit or attachment, unless the court permits conventional filing. *See* Section (4), "File Size Limitations," above; Local Rules CV-7(b), CV-56(d) (requirements for documents attached to motions).

(7) **Sealed Documents.**

- (A) Unless authorized by statute or rule, a document in a civil case shall not be filed under seal unless it contains a statement by counsel following the certificate of service that certifies that (1) a motion to seal the document has been filed, or (2) the court already has granted authorization to seal the document.
- (B) A motion to file document(s) under seal must be filed separately from the

document(s) sought to be sealed. A motion to seal that is filed as a sealed document does not need to include the certification specified in section (A) above. For additional rules regarding the filing of sealed documents in criminal cases, see Local Rule CR-49(b).

- (C) Documents requested or authorized to be filed under seal or ex parte shall be filed in electronic form. All sealed or ex parte documents filed with the court must comply with the file size and other form requirements of Local Rules CV-5(a) and CV-7. Counsel is responsible for serving documents under seal to opposing counsel, and may do so in electronic form, and for complying with Local Rule CV-5(a)(9) regarding courtesy copies of filings. When a sealed order is entered by the court, the clerk will send a sealed copy of the order only to the lead attorney for each party (see Local Rule CV-11), who is responsible for distributing the order to all other counsel of record for that party.

(8) Entry of Court Orders.

- (A) All orders, decrees, judgments, and proceedings of the court will be filed electronically by the court or court personnel in accordance with these rules, which will constitute entry on the docket kept by the clerk. Any order filed electronically has the same force and effect as if the judge had signed a paper copy of the order and it had been entered on the docket in a conventional manner.
- (B) A Filing User submitting a document electronically that requires a judge's signature must promptly deliver the document in such form as the court requires.

- (9) **Paper Copies of Lengthy Documents.** If a document to be filed electronically exceeds five pages in length, including attachments, a paper copy of the filed document must be sent contemporaneously to the presiding judge's chambers. A copy of the "Notice of Electronic Filing" must be attached to the front of the paper copy of the document that was electronically filed. The paper copy should be sent directly to the judge's chambers and not to the clerk's office. See Local Rule CV-10(b) regarding tabs and dividers for voluminous documents. Judges may opt out of this rule by entering an order. Such orders can be found on the court's website, located at www.txed.uscourts.gov.

- (10) **Technical Failures.** A technical failure does not relieve a party of exercising due diligence to timely file and serve documents. A Filing User whose filing is made untimely as the result of a technical failure at the court will have a reasonable grace period to file from the time that the technical failure is cured. There will be a notice on the court's website indicating when the database was down and the duration of the grace period. A Filing User whose filing is made untimely as the result of a technical failure not attributable to the court may seek appropriate relief from the court.

- (b) **Filing by Paper.** Where filing by paper is permitted, the original pleadings, motions and other papers shall be filed with the clerk.

- (1) **Filing by After-Hours Depository.** The court maintains after-hours document depositories at the courthouses in Beaumont, Lufkin, Tyler, Marshall, Sherman and Texarkana. Where filing by paper is permitted, any pleadings or other documents that are marked received using the electronic time stamp contained in the depository and then placed in the box will be filed as of the time and date marked as received to the depository.
- (2) **Filing Papers in Proper Division.** Where filing by paper is permitted, parties are encouraged to file pleadings, motions and other papers in the division in which the case is pending. If pleadings, motions or other papers are filed in another division, a stamped, addressed envelope for mailing to the proper division must be included.
- (c) **Certificates of Service.** The certificate of service required by Fed.R.Civ.P. 5(d) shall indicate the date and method of service.
- (d) **Service by Facsimile Or Electronic Means Authorized.** Parties may serve copies of pleadings and other case related documents to other parties by facsimile or electronic means in compliance with Local Rule CV-5(a) in lieu of service and notice by mail. Such service is deemed complete upon sending. Service after 5:00 p.m. Central Time shall be deemed served on the following day.

LOCAL RULE CV-5.2 Privacy Protections For Filings Made with the Court

(a) **Electronic Filing of Transcripts by Court Reporters.** The following procedures apply to all court transcripts filed on or after May 19, 2008. The court reporter or transcriber shall electronically file all court transcripts,² including a completed version of the attached “Notice of Filing of Official Transcript.” Upon request, the clerk shall make an electronic version of any transcript available for public inspection without charge at the clerk’s office public terminal. *See* 28 U.S.C. Section 753(b).

(b) **Availability of Transcripts of Court Proceedings.** Electronically-filed transcripts of court proceedings are subject to the following rules:

(1) A transcript provided to a court by a court reporter or transcriber will be available at the clerk’s office for inspection for a period of 90 days after it is electronically filed with the clerk. During the 90-day inspection period, access to the transcript in CM/ECF is limited to the following users: (a) court staff; (b) public terminal users; (c) attorneys of record or parties who have purchased the transcript from the court reporter or transcriber; and (d) other persons as directed by the court. Court staff may not copy or print transcripts for a requester during the 90-day inspection period.

(2) During the 90-day period, a copy of the transcript may be obtained from the court reporter

²Contract court reporters may either file court transcripts electronically in the CM/ECF database, or submit an electronic .pdf version of the transcript to the clerk, who will thereupon file it.

or transcriber at the rate established by the Judicial Conference. The transcript will also be available within the court for internal use, and an attorney who obtains the transcript from the court reporter or transcriber may obtain remote electronic access to the transcript through the court's CM/ECF system for purposes of creating hyperlinks to the transcript in court filings and for other purposes.

(3) Within seven business days of the filing of the transcript in CM/ECF, each party wishing to redact a transcript must inform the court, by filing the attached "Notice of Intent to Request Redaction," of the party's intent to redact personal data identifiers from the transcript as required by Fed.R.Civ.P 5.2. If no such notice is filed within the allotted time, the court will assume redaction of personal data identifiers from the transcript is not necessary.

(4) If redaction is requested, a party is to submit to the court reporter or transcriber and file with the court, within 21 calendar days of the transcript's delivery to the clerk, or longer if a court so orders, a statement indicating where the personal data identifiers to be redacted appear in the transcript. The court reporter or transcriber must redact the identifiers as directed by the party. These procedures are limited to the redaction of the specific personal identifiers listed in Fed.R.Civ.P. 5.2. If an attorney wishes to redact additional information, he or she may make a motion to the court. The transcript will not be remotely electronically available until the court has ruled on any such motion.

(5) The court reporter or transcriber must, within 31 calendar days of the filing of the transcript, or longer if the court so orders, perform the requested redactions and file a redacted version of the transcript with the clerk of court. Redacted transcripts are subject to the same access restrictions as outlined above during the initial 90 days after the first transcript has been filed. The original unredacted electronic transcript shall be retained by the clerk of court as a restricted document.

(6) If, after the 90-day period has ended, there are no redaction documents or motions linked to the transcript, the clerk will remove the public access restrictions and make the unredacted transcript available for inspection and copying in the clerk's office and for download from the PACER system.

(7) If, after the 90-day period has ended, a redacted transcript has been filed with the court, the clerk will remove the access restrictions as appropriate and make the redacted transcript available for inspection and copying in the clerk's office and for download from the PACER system, or from the court reporter or transcriber.

LOCAL RULE CV-6 Computation of Time

When a party may or must act within a specified time after service, three days are added after the period would otherwise expire under Fed.R.Civ.P. 6(a), regardless of the method of service. This three-day extension applies only to responses due within a certain time after "service" of a preceding document.

LOCAL RULE CV-7 Motions Practice

(a) **Generally.** All motions, unless made during a hearing or trial, shall be in writing, filed as a separate document, conform to the requirements of Local Rules CV-5 and CV-10, and shall be accompanied by a proposed order in searchable and editable PDF format for the judge's signature. The proposed order shall be endorsed with the style and number of the cause and shall not include a date or signature block. Motions, responses, replies and proposed orders, if filed electronically, shall be submitted in "searchable PDF" format. All other documents, including attachments and exhibits should be in "searchable PDF" form wherever possible.

(1) **Dispositive Motions.** A dispositive motion shall not exceed thirty pages, excluding attachments, unless leave of court is first obtained. Likewise, a party opposing a dispositive motion shall limit the response to the motion to thirty pages, excluding attachments, unless leave of court is first obtained. See Rule CV-56 regarding attachment to motions for summary judgment and responses thereto. Any reply or surreply to an opposed dispositive motion filed pursuant to section (f) of this rule shall not exceed ten pages, excluding attachments.

If a party files more than one summary judgment motion, the following additional limitations shall apply: (1) a party's summary judgment motions shall not exceed sixty pages collectively, excluding attachments; (2) a party's responses to summary judgment motions shall not exceed sixty pages collectively, excluding attachments; (3) a party's reply to summary judgment motions shall not exceed twenty pages collectively excluding attachments; and (4) a party's surreply briefing to summary judgment motions shall likewise not exceed twenty pages collectively, excluding attachments.

Dispositive motions shall contain a statement of the issues to be decided by the Court. Responses to dispositive motions must include a response to the movant's statement of issues.

(2) **Non-dispositive Motions.** Non-dispositive motions shall not exceed fifteen pages excluding attachments, unless leave of court is first obtained. Likewise, a party opposing a non-dispositive motion shall limit the response to the motion to fifteen pages, excluding attachments, unless leave of court is first obtained. Any reply or surreply brief to an opposed non-dispositive motion filed pursuant to section (f) of this rule shall not exceed five pages, excluding attachments.

(b) **Documents Supporting Motions.** When allegations of fact not appearing in the record are relied upon in support of a motion, all affidavits and other pertinent documents shall be served and filed with the motion. It is strongly recommended that any attached materials should have the cited portions highlighted or underlined in the copy provided to the court, unless the citation encompasses the entire page. The page preceding and following a highlighted or underlined page may be submitted if necessary to place the highlighted or underlined material in its proper context. Only relevant, cited-to excerpts of attached materials should be attached to the motion or the response.

(c) **Briefing Supporting Motions.** The motion and any briefing shall be contained in one

document. The briefing shall contain a concise statement of the reasons in support of the motion and citation of authorities upon which the movant relies. Briefing is an especially helpful aid to the judge in deciding motions to dismiss, motions for summary judgment, motions to remand, and post-trial motions.

- (d) **Response and Briefing.** The response and any briefing shall be contained in one document. A party opposing a motion shall file the response, any briefing and supporting documents within the time period prescribed by subsection (e) of this rule. A response shall be accompanied by a proposed order conforming to the requirements of subsection (a) of this rule. Briefing shall contain a concise statement of the reasons in opposition to the motion, and a citation of authorities upon which the party relies. In the event a party fails to oppose a motion in the manner prescribed herein, the court will assume that the party has no opposition.
- (e) **Time to File Response.** A party opposing a motion has 12 days from the date the motion was served in which to file a response and any supporting documents, after which the court will consider the submitted motion for decision. See Local Rule CV-6 (three days added to the prescribed period). Any party may separately move for an order of this court lengthening or shortening the period within which a response may be filed.
- (f) **Reply Briefs.** Unless otherwise directed by the presiding judge, a party who has filed an opposed motion may serve and file a reply brief responding to issues raised in the response within 5 days from the date the response is served. See Local Rule CV-6 (three days added to the prescribed period). A surreply responding to issues raised in the reply may be served and filed within 5 days from the date the reply is served. See Local Rule CV-6 (three days added to the prescribed period). The court need not wait for the reply or surreply before ruling on the motion. Absent leave of court, no further submissions on the motion are allowed.
- (g) **Oral Hearings.** A party may in a motion or a response specifically request an oral hearing, but the allowance of an oral hearing shall be within the sole discretion of the judge to whom the motion is assigned.
- (h) **“Meet and Confer” Requirement.** The “meet and confer” motions practice requirement imposed by this rule has two components, a substantive and a procedural component.

The substantive component requires, at a minimum, a personal conference, by telephone or in person, between an attorney for the movant and an attorney for the non-movant. In any discovery-related motion, the substantive component requires, at a minimum, a personal conference, by telephone or in person, between the lead trial counsel and any local counsel for the movant and the lead trial counsel and any local counsel for the non-movant.

In the personal conference, the participants must give each other the opportunity to express his or her views concerning the disputes. The participants must also compare views and have a discussion in an attempt to resolve their differing views before coming to court. Such discussion requires a sincere effort in which the participants present the merits of their respective positions and meaningfully assess the relative strengths of each position.

In discovery-related matters, the discussion shall consider, among other things: (1) whether and to what extent the requested material would be admissible in a trial or is reasonably calculated to lead to the discovery of admissible evidence; (2) the burden and costs imposed on the responding party; (3) the possibility of cost-shifting or sharing; and (4) the expectations of the court in ensuring that parties fully cooperate in discovery of relevant information.

Except as otherwise provided by this rule, a request for court intervention is not appropriate until the participants have met and conferred, in good faith, and concluded, in good faith, that the discussions have conclusively ended in an impasse, leaving an open issue for the court to resolve. Good faith requires honesty in one's purpose to discuss meaningfully the dispute, freedom from intention to defraud or abuse the discovery process, and faithfulness to one's obligation to secure information without court intervention. Correspondence, e-mails, and facsimile transmissions do not constitute compliance with the substantive component and are not evidence of good faith. Such materials, however, may be used to show bad faith of the author.

An unreasonable failure to meet and confer violates Local Rule AT-3 and is grounds for disciplinary action. A party may file an opposed motion without the required conference only when the non-movant has acted in bad faith by failing to meet and confer.

The procedural requirement of the "meet and confer" rule is one of certification. It appears in section (i) of this rule, entitled "Certificates of Conference,"

- (i) **Certificates of Conference.** Except as specified below, all motions must be accompanied by a "certificate of conference" at the end of the motion following the certificate of service.. The certificate must state (1) that counsel has complied with the meet and confer requirement in Local Rule CV-7(h), and (2) whether the motion is opposed or unopposed. Opposed motions shall include a statement in the Certificate of Conference, signed by the movant's attorney, that the personal conference or conferences required by this rule have been conducted or were attempted, the date and manner of such conference(s) or attempts, the names of the participants in the conference(s), an explanation of why no agreement could be reached, and a statement that discussions have conclusively ended in an impasse, leaving an open issue for the court to resolve. In discovery-related motions, the Certificate of Conference shall be signed by the lead trial counsel and any local counsel. In situations involving an unreasonable failure to meet and confer, the movant shall set forth in the Certificate of Conference the facts believed to constitute bad faith.

Neither the "meet and confer" nor the certificates of conference requirements are applicable to pro se litigants (prisoner or non-prisoner), or to the following motions:

- (1) to dismiss;
- (2) for judgment on the pleadings;
- (3) for summary judgment;
- (4) motions *in limine*;
- (5) for judgment as a matter of law;

- (6) for judgment of acquittal in a criminal case;
 - (7) motions to suppress in criminal cases;
 - (8) for new trial; and
 - (9) any motion captioned as “joint”, “agreed ” or “unopposed.”
- (j) **Re-urged Motions in Transferred/Removed Cases.** Except in prisoner cases, any motions pending in another federal or state court made by any party will be considered moot at the time of transfer or removal unless they are re-urged in this court. See also Local Rule CV-81(d).
- (k) **Motions for Leave to File.** With the exception of motions to exceed page limitations, motions for leave to file a document must be accompanied by the document sought to be filed. The motion and the document should be filed separately. If the motion for leave to file is granted, the document will be deemed to have been filed as of the original date of its filing. If the motion is denied, the previously filed document will be stricken. The time for filing any responsive documents shall run from the date of the order granting the motion for leave to file.
- (l) **Motions for Leave to Exceed Page Limitations.** A document that exceeds a page limitation established by these rules should be filed as follows: file the overlength motion, then separately file a motion for leave to exceed the page limitation. If the court denies the motion for leave to exceed page limitations, the portion of the document and attachments cited only therein that exceeds the page limitation will not be considered by the court, unless otherwise ordered. The time for filing any responsive documents shall run from the date of the order on the motion for leave to exceed page limitations.
- (m) **Emergency Motions.** Counsel filing an emergency motion should ensure that (1) the caption of the motion begins with the word “emergency;” (2) the motion is electronically filed using the CM/ECF event code entitled “emergency motion;” and (3) the chambers of the presiding judge is notified, either by telephone, e-mail or fax, that an emergency motion has been filed.

LOCAL RULE CV-9 Pleadings and Special Matters

Admiralty and Maritime Claims. Admiralty and maritime claims in this court are governed by the Local Admiralty Rules, which appear as Appendix J to these rules.

LOCAL RULE CV-10 Form of Pleadings

- (a) **Generally.** When offered for filing, all documents, excluding preexisting documentary exhibits and attachments, shall:
- (1) be endorsed with the style and number of the action;

(3) Certificates of Conference. Except as specified below, all motions must be accompanied by a “certificate of conference.” It should be placed at the end of the motion following the certificate of service. The certificate must state (1) that counsel has conferred with opposing counsel in a good faith attempt to resolve the matter without court intervention and (2) whether the motion is opposed or unopposed. Certificates of conference are not required of pro se litigants (prisoner or non-prisoner) or for the following motions:

- (A) motions to dismiss;
- (B) motions *in limine*;
- (C) motions for judgment of acquittal;
- (D) motions to suppress;
- (E) motions for new trial;
- (F) any motion captioned as “joint”, “agreed ” or “unopposed,” and
- (G) any motion permitted to be filed *ex parte*.

(c) Timing of a Motion.

(1) Responses. A party opposing a motion has 12 calendar days from the date the motion was served in which to serve and file a response and any supporting documents, after which the court will consider the submitted motion for decision. Three days shall be added to the prescribed time period pursuant to Fed. R. Crim. P. 45(c). Any party may separately move for an order of the court lengthening or shortening the period within which a response may be filed.

(2) Reply Briefs and Sur-Replies. Unless otherwise directed by the presiding judge, a party who has filed an opposed motion may serve and file a reply brief responding to issues raised in the response within five days from the date the response is served. A sur-reply responding to issues raised in the reply may be served and filed within five days from the date the reply is served. The court need not wait for the reply or sur-reply before ruling on the motion. Absent leave of court, no further submissions on the motion are allowed.

(d) Affidavit Supporting a Motion. When allegations of fact not appearing in the record are relied upon in support of a motion, all affidavits and other pertinent documents shall be served and filed with the motion. It is strongly recommended that any attached materials should have the cited portions highlighted or underlined in the copy provided to the court, unless the citation encompasses the entire page. The page preceding and following a highlighted or underlined page may be submitted if necessary to place the highlighted or underlined material in its proper context. Only relevant, cited-to excerpts of attached materials should be attached to the motion or the response.

LOCAL RULE CR-49 Service and Filing of Papers

(a) **Generally.** All pleadings and papers submitted in criminal cases must conform to the filing, service and format requirements contained in Local Rules CV-5, CV-10 and CV-11.

(1) **Defendant Number.** In multi-defendant cases, each defendant receives a “defendant number”. The numbers are assigned in the order in which defendants are listed on the complaint or indictment. When filing documents with the court, parties shall identify by name and number each defendant to whom the document being filed applies.

(2) **Sealed Indictments.** In multi-defendant cases involving one or more sealed indictments, the Government should, at the time the sealed indictment is filed, provide the clerk with appropriately redacted copies of the indictment for each defendant. The goal of this procedure is to protect the confidential aspect of the sealed indictment with regard to any defendants not yet arrested.

(b) **Filing of Sealed Documents in Criminal Cases.** Documents in criminal cases that are filed under seal pursuant to general order³ or rule of this court shall be filed under seal without need for a motion to seal or a certification by counsel. Other types of documents in criminal cases may not be filed under seal unless counsel certifies that (1) a motion for leave to seal the document in question has been filed or (2) the court has already granted authorization to seal. For filing sealed documents in civil cases, see Local Rule CV-5(c).

(1) Counsel filing a document under seal must send a paper copy of that document to the presiding judge’s chambers. The paper copy should be sent directly to the judge’s chambers and not to the clerk’s office. Judges may opt out of this rule by entering an order.

(c) **Filing of Unsealed Plea Agreements.** Each unsealed plea agreement must be presented to the court in paper, not electronic, format. The clerk’s office thereupon will scan the paper plea agreement and electronically file it as a “private entry document,” which limits electronic access to the document to the attorneys in the case, the presiding judge and the court staff. However, the clerk of court shall provide public access to all unsealed plea agreements at the clerk’s offices upon request.

LOCAL RULE CR-49.1 Privacy Protection for Filings Made With the Court

(a) **Electronic Filing of Transcripts by Court Reporters.** Any transcript of criminal proceedings in this court filed by a court reporter or transcriber shall be filed electronically, including a “Notice of Filing of Official Transcript.” The clerk will post a “model notice” for the court reporter or transcriber’s use on the court’s web site. Upon request, the clerk shall make an electronic version

³Existing general orders that fall into this category are General Order 93-3, “General Order on Sealed Indictments,” and General Order 93-4, “General Order on Sealed Criminal Matters.”

of any unsealed transcript available for public inspection without charge at the clerk's office. *See* 28 U.S.C. Section 753(b).

(b) Availability of Transcripts of Court Proceedings. Electronically-filed transcripts of criminal court proceedings are subject to the following rules:

(1) A transcript provided to a court by a court reporter or transcriber will be available at the clerk's office for inspection for a period of 90 days after it is electronically filed with the clerk. During the 90-day inspection period, access to the transcript in CM/ECF is limited to the following users: (a) court staff; (b) public terminal users; (c) attorneys of record or parties who have purchased the transcript from the court reporter or transcriber; and (d) other persons as directed by the court. Court staff may not copy or print transcripts for a requester during the 90-day inspection period.

(2) During the 90-day period, a copy of the transcript may be obtained from the court reporter or transcriber at the rate established by the Judicial Conference. The transcript will also be available within the court for internal use, and an attorney who obtains the transcript from the court reporter or transcriber may obtain remote electronic access to the transcript through the court's CM/ECF system for purposes of creating hyperlinks to the transcript in court filings and for other purposes

(3) Within seven business days of the filing of the transcript in CM/ECF, each party wishing to redact a transcript must inform the court, by filing the attached "Notice of Intent to Request Redaction," of the party's intent to redact personal data identifiers from the transcript as required by Fed.R.Crim.P 49.1. If no such notice is filed within the allotted time, the court will assume redaction of personal data identifiers from the transcript is not necessary

(4) If redaction is requested, a party is to submit to the court reporter or transcriber and file with the court, within 21 calendar days of the transcript's delivery to the clerk, or longer if a court so orders, a statement indicating where the personal data identifiers to be redacted appear in the transcript. The court reporter or transcriber must redact the identifiers as directed by the party. These procedures are limited to the redaction of the specific personal identifiers listed in Fed.R.Civ.P. 5.2. If an attorney wishes to redact additional information, he or she may make a motion of the court. The transcript will not be electronically available until the court has ruled on any such motion.

(5) The court reporter or transcriber must, within 31 calendar days of the filing of the transcript, or longer if the court so orders, perform the requested redactions and file a redacted version of the transcript with the clerk of court. The original unredacted electronic transcript shall be retained by the clerk of court as a restricted document.

(6) If, after the 90-day period has ended, there are no redaction documents or motions linked to the transcript, the clerk will remove the public access restrictions and make the unredacted transcript available for inspection and copying in the clerk's office and for download from the PACER system.

(7) If, after the 90-day period has ended, a redacted transcript has been filed with the court, the clerk will remove the access restrictions as appropriate and make the redacted transcript available for inspection and copying in the clerk's office and for download from the PACER system, or from the court reporter or transcriber.

LOCAL RULE CR-55 Records

- (a) **Removal of Papers, Records, etc.** The clerk shall not allow original copies of any papers, records, etc. in a criminal case to be removed from the clerk's office except by an employee of the court.
- (b) **Disposition of Exhibits by Clerk.** Thirty days after all direct criminal appeals and Section 2255 actions (if any) have been exhausted and/or the time for taking those appeals has lapsed, and no further action is required by the trial court, the clerk is authorized to destroy any sealed or unsealed exhibits filed therein which have not been previously claimed by the attorney of record for the party offering the same in evidence at the trial. The clerk shall wait 18 months from the date the direct criminal appeal process concludes to ensure that no Section 2255 motion will be filed before destroying exhibits pursuant to this rule.

Sealed exhibits submitted in miscellaneous cases to obtain pen registers, wiretaps, etc. will be maintained in the court's vault for three (3) years. At the end of this time, the sealed exhibits will be destroyed.

(c) Submission and Disposition of Trial Exhibits.

- (1) The parties shall not submit exhibits to the clerk's office prior to a hearing/trial without an order of the court.
- (2) Trial exhibits shall be properly marked, but not placed in binders. Multiple-paged documentary exhibits should be properly fastened. If parties wish, additional copies of trial exhibits may be submitted in binders for the court's use.
- (3) The parties shall provide letter-sized copies of pictures of any physical or oversized exhibit to the court prior to the conclusion of trial. The court may order parties to provide CD-ROM disk(s) containing .pdf copies of all exhibits that were admitted by the court. Oversized exhibits will be returned at the conclusion of the trial or hearing. If parties desire the oversized exhibits to be sent to the appellate court, it will be their responsibility to send them.

SECTION III: ATTORNEYS

LOCAL RULE AT-1 Admission to Practice

- (a) An attorney who has been admitted to practice before the Supreme Court of the United States, or a United States Court of Appeals, or a United States District Court, or the highest court of a state, is eligible for admission to the bar of this court. He or she must be of good moral and

professional character, and must be a member in good standing of the state and federal bars in which he or she is licensed.

- (b) Each applicant shall file an application on a form prescribed by the court. If the applicant has previously been subject to disciplinary proceedings, full information about the proceedings, the charges and the result must be given.
 - (1) A motion for admission made by a member in good standing of the state bar of Texas or the bar of any United States District Court shall accompany the completed admission form. The movant must state that the applicant is competent to practice before this court and is of good personal and professional character.
 - (2) The applicant must state in the application that he or she has read Local Rule AT-3, the “Standards of Practice to Be Observed by Attorneys” and the local rules of this court, and that he or she will comply with the standards of practice adopted in Local Rule AT-3 and with the local rules.
 - (3) The applicant must provide with the application form an oath of admission signed in the presence of a notary public on a form prescribed by the court. The completed application for admission, motion for admission and oath of admission shall be submitted to the court, along with the admission fee required by law and any other fee required by the court. Upon investigation of the fitness, competency and qualifications of the applicant, completed application forms may be granted or denied by the clerk subject to the oversight of the chief judge.
- (c) The clerk shall maintain a complete list of all attorneys who have been admitted to practice before the court.
- (d) An attorney who is not admitted to practice before this court may appear for or represent a party in any case in this court only upon an approved application to appear *pro hac vice*. When an attorney who is not a member of the bar of this court appears in any case before this court, he or she shall first submit an application to appear *pro hac vice* to the clerk of court. The applicant must read and comply with Local Rule AT-3, the “Standards of Practice to Be Observed by Attorneys” and the local rules of this court. The application shall be made using the form that appears as Appendix K to the local rules, and must be signed by the applicant personally. Such application also shall be accompanied by a \$25.00 local fee. Any attachments to *pro hac vice* applications will be handled as electronic sealed documents by the clerk’s office. The application shall be acted upon with dispatch by the clerk on the court’s behalf. The clerk shall notify the applicant as soon as possible after the application is acted upon.
- (e) Absent an order of the court to the contrary, all active attorneys who are admitted to practice before this court shall be assessed an annual bar membership fee. State and federal government attorneys are exempted from paying the fee, however, as long as they are in government service. The fee will be collected triennially, with the amount to be determined by the court prior to each collection period. All attorneys who have not paid the fee by the deadline shall be suspended from practice without further order of the court. Upon payment of outstanding fees, any attorney

suspended for non-payment of fees will be immediately reinstated without order of the court.

LOCAL RULE AT-2 Attorney Discipline

(a) **Generally.** The standards of professional conduct adopted as part of the Rules Governing the State Bar of Texas shall serve as a guide governing the obligations and responsibilities of all attorneys appearing in this court. It is recognized, however, that no set of rules may be framed which will particularize all the duties of the attorney in the varying phases of litigation or in all the relations of professional life. Therefore, the attorney practicing in this court should be familiar with the duties and obligations imposed upon members of this bar by the Texas Disciplinary Rules of Professional Conduct, court decisions, statutes, and the usages customs and practices of this bar.

(b) Disciplinary Action Initiated in Other Courts.

(1) A member of the bar of this court shall automatically lose his or her membership if he or she loses, either temporarily or permanently, the right to practice law before any state or federal court for any reason other than nonpayment of dues, failure to meet continuing legal education requirements or voluntary resignation unrelated to a disciplinary proceeding or problem.

(2) When it is shown to the court that a member of its bar has been either disbarred or suspended, the clerk shall enter an order for the court, effective ten days after issuance unless sooner modified or stayed, disbaring or suspending the member from practice in this court upon terms and conditions identical to those set forth in the order of the other court.

(3) A member of this bar who has lost the right to practice law before any state or federal court, either permanently or temporarily, must advise the clerk of that fact within thirty days of the effective date of the disciplinary action. The clerk will thereafter enter a reciprocal order effective in the courts of this district.

(c) **Conviction of a Crime.** A member of the bar of this court who is convicted of a felony offense in any state or federal court will be immediately and automatically suspended from practice and thereafter disbarred upon final conviction.

(d) Disciplinary Action Initiated in This Court.

(1) **Grounds for Disciplinary Action.** This court may, after an attorney has been given an opportunity to show cause to the contrary, take any appropriate disciplinary action against any attorney:

(A) for conduct unbecoming a member of the bar;

(B) for failure to comply with these local rules or any other rule or order of this court;

(C) for unethical behavior;

(D) for inability to conduct litigation properly; or

(E) because of conviction by any court of a misdemeanor offense involving dishonesty or false statement.

(2) Disciplinary Procedures.

(A) When it is shown to a judge of this court that an attorney has engaged in conduct which might warrant disciplinary action involving suspension or disbarment, the judge receiving the information shall bring the matter to the attention of the chief judge, who will poll the full court as to whether disciplinary proceedings should be held. If the court determines that further disciplinary proceedings are necessary, the disciplinary matter will be assigned to the chief judge, or a judge designated by the chief judge, who will notify the lawyer of the charges and give the lawyer opportunity to show good cause why he or she should not be suspended or disbarred. Upon the charged lawyer's response to the order to show cause, and after a hearing before the chief judge, or a judge designated by the chief judge, if requested, or upon expiration of the time prescribed for a response if no response is made, the chief judge, or a judge designate by the chief judge, shall enter an appropriate order.

(B) At any hearing before the chief judge, or a judge designated by the chief judge, the charged lawyer shall have the right to counsel and at least fourteen days' notice of the time of the hearing and charges. Prosecution of the charges may be conducted by an attorney specially appointed by the court. Costs of the prosecutor and any fees allowed by the court shall be paid from the attorney admission fee fund.

(e) **Notification of Disciplinary Action.** Upon final disciplinary action by the court, the clerk shall send certified copies of the court's order to the State Bar of Texas, the Fifth U.S. Circuit Court of Appeals and the National Discipline Data Bank operated by the American Bar Association.

(f) **Reinstatement.** Any lawyer who is suspended by this court is automatically reinstated to practice at the end of the period of suspension, provided that the bar membership fee required by Local Rule AT-1(e) has been paid. Any lawyer who is disbarred by this court may not apply for reinstatement for at least three years from the effective date of his or her disbarment. Petitions for reinstatement shall be sent to the clerk and assigned to the chief judge for a ruling. Petitions for reinstatement must include a full disclosure concerning the attorney's loss of bar membership in this court and any subsequent felony convictions or disciplinary actions that may have occurred in other federal or state courts.

LOCAL RULE AT-3 Standards Of Practice To Be Observed By Attorneys

Attorneys who appear in civil and criminal cases in this court shall comply with the following standards of practice in this district:⁴

(A) In fulfilling his or her primary duty to the client, a lawyer must be ever conscious of the

⁴The standards enumerated here are set forth in the *en banc* opinion in *Dondi Properties Corp. v. Commerce Savings and Loan Association*, 121 F.R.D. 284 (N.D. Tex. 1988).

- broader duty to the judicial system that serves both attorney and client.
- (B) A lawyer owes, to the judiciary, candor, diligence and utmost respect.
 - (C) A lawyer owes, to opposing counsel, a duty of courtesy and cooperation, the observance of which is necessary for the efficient administration of our system of justice and the respect of the public it serves.
 - (D) A lawyer unquestionably owes, to the administration of justice, the fundamental duties of personal dignity and professional integrity.
 - (E) Lawyers should treat each other, the opposing party, the court, and members of the court staff with courtesy and civility and conduct themselves in a professional manner at all times.
 - (F) A client has no right to demand that counsel abuse the opposite party or indulge in offensive conduct. A lawyer shall always treat adverse witnesses and suitors with fairness and due consideration.
 - (G) In adversary proceedings, clients are litigants and though ill feeling may exist between clients, such ill feeling should not influence a lawyer's conduct, attitude, or demeanor towards opposing lawyers.
 - (H) A lawyer should not use any form of discovery, or the scheduling of discovery, as a means of harassing opposing counsel or counsel's client.
 - (I) Lawyers will be punctual in communications with others and in honoring scheduled appearances, and will recognize that neglect and tardiness are demeaning to the lawyer and to the judicial system.
 - (J) If a fellow member of the Bar makes a just request for cooperation, or seeks scheduling accommodation, a lawyer will not arbitrarily or unreasonably withhold consent. The Court is not bound to accept agreements of counsel to extend deadlines imposed by rule or court order.
 - (K) Effective advocacy does not require antagonistic or obnoxious behavior and members of the Bar will adhere to the higher standard of conduct which judges, lawyers, clients, and the public may rightfully expect.

The Court also encourages attorneys to be familiar with the Codes of Pretrial and Trial Conduct promulgated by the American College of Trial Lawyers, which can be found on the Court's website at www.txed.uscourts.gov, and to conduct themselves accordingly.
