

GENERAL ORDER NO. 06-3

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS**

GENERAL ORDER REVOKING GENERAL ORDER 05-17

General Order 05-17 was signed on October 6, 2005 pursuant to authority granted by the Federal Judiciary Emergency Special Sessions Act of 2005. Due to emergency conditions caused by Hurricane Rita in the Beaumont Division, General Order 05-17 authorized special sessions of court in the Houston Division of the United States District Court for the Southern District of Texas. Fortunately, the Beaumont Division was able to resume functioning in November 2005, thus eliminating the need to hold special sessions of court outside the district. No sessions of court were ever held in Houston pursuant to General Order 05-17.

Since the emergency conditions that resulted in General Order 05-17 no longer exist, it is hereby REVOKED.

Signed this 8 day of February, 2006.
