ASSESSMENT FEE FOR ADMINISTRATION OF REGISTRY FUNDS  
DEPOSITED IN INTEREST-BEARING ACCOUNTS

Pursuant to an amendment to the Miscellaneous Fee Schedule authorized by the Judicial Conference of the United States Courts and a subsequent memorandum from the Director of the Administrative Office of the United States Courts; Effective June 12, 1989, a fee will be applied to all non-criminal cases in which funds are placed in the Court's Registry and held in interest-bearing accounts. This fee will be applied in the following manner:

- a) For new deposits into court on and after June 12, 1989, the fee will be equal to the first 45 days' income earned on the investment.
- b) For case balances currently held in interest-bearing accounts or instruments prior to June 12, 1989, the fee will equal the first 45 days' income earned on those balances on and after July 12, 1989.

The registry assessment fee shall not be charged in cases where the service is determined to be made on behalf of the United States. In cases where it is subsequently determined that the fee was withheld from funds accruing to the United States or to agencies or officials thereof, such amounts are to be recovered by the attorney for the Government by submitting to the court a refund order of the registry fee.

1

It is hereby ORDERED that the assessment of this administrative fee be imposed on all orders regarding the disposition of funds from interest-bearing accounts on or after June 12, 1989, for the Court.

Signed this 16th day of June, 1989.
