The above-mentioned panel shall review the incumbent judge's current service as magistrate judge, the comments from members of the bar and public, and other evidence of the incumbent's good character, legal ability, temperament and commitment to equal justice under the law. The panel shall report to the court within ninety days of the date of this order as to whether the incumbent is recommended for reappointment.

Additionally, the Clerk of Court is directed to cause to be published public notices regarding the reappointment of Magistrate Judge Roy S. Payne. The notices shall be published in conformance with the procedures specified in Chapter 13 of *The Selection, Appointment and*

Reappointment of United States Magistrate Judges (Administrative Office of the U.S. Courts, May 2016).

Effective September 13, 2016, the Judicial Conference of the U.S. Courts adopted amendments to the regulations governing the selection, appointment, and reappointment of magistrate judges. One of the amendments creates a new obligation on the part of the court to notify merit selection panel members in writing of the restriction in § 420.30.20(d) as it applies to them, which essentially restricts panel members from applying for magistrate judge positions until one year has elapsed since the panel member served on the panel. This new provision is located in the regulations at § 420.30.10(c).

FOR THE COURT:

So ORDERED and SIGNED this 15th day of April, 2019.
